

Adopt-a-Float Newsletter

Welcome to the Adopt-a-Float program! We are looking forward to having you join us as we watch the floats on their journey through the ocean.

Date: April 24, 2022

Number of Floats Deployed: 9 floats deployed; PO2 Expedition ready to depart!

Float of the Month!

We have 14 floats on the RV *Roger Revelle* which is getting ready to depart port in Guam. There will be a shipboard blog - so follow along even if your float isn't onboard - <https://www.go-bgc.org/expedition-logs/north-pacific-2022>

Update

The competition for the 2022-2023 sticker is coming to an end - Here is last year's winning entry <https://www.go-bgc.org/news/adopt-a-float-sticker-contest-winner>. We would like NSF, the student first name, and the website on the sticker and we'd love to have one for GO-BGC and one for SOCCOM. Deadline extended to April 29, 2022.

And the MATE ROV competitions have started, one of the tasks for the Ranger class is to deploy a vertical profiling float! <https://materovcompetition.org/>

Find your float information here: http://go-bgc.ucsd.edu/GOBGC_Adopt-a-Float.html or http://socom.ucsd.edu/SOCCOM_Adopt-a-Float.html
